

Prospective Reverse Mortgage Agents

We are Mortgage Bankers (direct lender) with brokering ability at almost every well-know funding source. Our president has been a producing agent for over 30 years, so he personally knows what works and how to help make you successful beyond your wildest dreams in the shortest period of time.

We are currently accepting applications for our Reverse Mortgage agent positions. Applicants MUST have the following skills/attributes:

- Computer literate (Email, attachments, scanning, etc.)
- Experience in mortgage, reverse mortgage, insurance, or financial industry
- Experience in sales
- Must be “coachable
- Professional appearance, dress and grooming
- Desire to help people improve their cash flow and standard of living
- Must be driven to succeed and comfortable on commission only
- Able to work remotely
- Must have or pass the NMLS test prior to being accepted into the program or before training begins. Only those who have an active license will be trained.
- Must be comfortable presenting to clients as well as other professionals for the purpose of building referral relationships.

Nice to have

- Experience with Reverse Mortgages
- Experience with forward mortgages and grasp of underwriting parameters
- Experience with Point/Calex for forward loans

For those who pass our screening test and are invited into our program I can promise that you will be trained and educated to the highest levels. We have a cutting edge and proven program to get you networked into the right referral sources so that you can flourish in the shortest time possible. Our program handles all the clerical and mundane duties so that you are left to focus on only the most important tasks, those that truly help people and earn you commissions.

If the above criteria describes you and you believe that you have what it takes to pass our thorough screening test, and you have a deep desire to succeed, we would like to hear from you. Please send us your resume via email to info@Crossmarkfinancial.com
